

Return with Contract no later than **August 1, 2006** to ensure inclusion in the **Congress Website & Final Show Program**.

## Exhibit Description and Product/Service Listing

The Congress & Expo Website and the Final Show Program provide added exposure to exhibitors. This form must be completed to ensure inclusion in the Congress Website & Final Show Program. The Congress Website will go live in November 2005 and the Final Show Program will be given to each San Diego 2006 attendee. All forms must be received by August 1, 2006 to be included in the Final Show Program. If this form is not received by August 1, 2006, no description or product categories will be listed in the Final Show Program.
